

## 21st Century Complete Guide to North Korea - Encyclopedic Coverage, Country Profile, History, DOD, State Dept., White House, CIA Factbook (Two CD-ROM Set)

Completely updated and revised for this new edition, our unique electronic book on two CD-ROMs has an amazing collection of the finest federal documents and resources about North Korea, providing encyclopedic coverage of all aspects of the country. This disc set provides a truly fantastic reference source, with over one hundred thousand pages reproduced in Adobe Acrobat format! There is complete coverage of newsworthy material about North Korea, including its nuclear weapons program, six-party talks, Clinton presidency, hunger, USAID, agriculture, satellite imagery, sanctions, and more. This incredible and comprehensive series on the countries of the world contains material from the State Department, Department of Defense, White House, and cabinet agencies including Agriculture, Energy, and the U.S. Citizenship and Immigration Services. There is complete information about geography, people, government, the economy, communications, transportation, military, and transnational issues. In addition to the nation-specific material, as a bonus we have included reports about every country on the globe, with 271 nations, dependent areas, and other entities identified by the Central Intelligence Agency. The CIA World Factbook is considered an invaluable world encyclopedia reference book.
