

Rise & Shine TEKS Prep Grade 6 Mathematics

Each of these workbooks provides on-grade-level mathematics practice. These titles are 100% aligned with Texas standards for mathematics to serve as even better test preparation tools. Hundreds of practice questions ensure that students are familiar with the TEKS mathematics exam format before walking into the test. Questions match the format that students can expect to see on TEKS exams. Many questions involve graphic representations, an important part of the TEKS exam. Teacher editions show correct and suggested answers for each of the questions asked, as well as the targeted skill for the questions. Our mathematics workbooks are the most effective test preparation tools available! Also great for home schooling!
