

Administrators Guide to Student Achievement & Higher Test Scores

This how-to resource gives K-12 school principals and other supervisory personnel a comprehensive action plan for improving teaching, student achievement, and student test scores. Step-by-step, the author shows the reader all aspects of teaching standards that make students achieve and be successful, how to organize professional development that impacts school achievement, and how to match the curriculum to student achievement. Included are over 80 full-page forms, checklists and handouts that can be used as is or readily adapted to fit the user's needs.
