

Animals at the Farm / Animales de la granja (English and Spanish Foundations Series) (Bilingual) (Dual Language) (Big Book) (Pre-K and Kindergarten)

Children are naturally drawn to animals, which makes *Animals at the Farm* a delightful treat for preschoolers. This English and Spanish learning book introduces children to a variety of farm animals and their behaviors. The pages pop with a colorfully illustrated menagerie of animals, including cows that graze, ducks that wade, horses that run, rabbits that hop, and other familiar residents of the barn yard. A pronunciation guide at the back of the book reinforces learning. Written by Gladys Rosa-Mendoza and illustrated by Jason Wolff. Big Books are perfect for group reading. Extend the learning with before reading, during and after reading suggestions for each Big Book title. Activities to develop the concept further are also included. Creators of Award-Winning Dual Language Products: The English-Spanish Foundations Series is a prized group of products specially designed to reflect the joy, spontaneity, and energy of infants and toddlers. These bright, colorful and engaging products were created by the principals of me+mi publishing, Gladys Rosa-Mendoza and Mark Wesley, award-winning publishers and the parents of bilingual children, who saw a need for high quality dual language books.
