

French Question & Answer Guide: As/A-level (French Edition)

Question and Answer Guides will help you improve your grades by demonstrating the techniques and skills essential for success. Written by experienced examiners, each guide contains a range of questions carefully written to follow the requirements of the exam board specifications for teaching from 2008. Sample answers include detailed commentaries which highlight their respective strengths and weaknesses, allowing you an insight into the mind of the examiner. The Question and Answer Guides are an ideal complement to the Exam Revision Notes series, also published by Philip Allan Updates.
