

## Graham Norton Revealed: The Biography

A fully updated biography of the unfailingly witty talk show host. He's hosted the GLAAD Media Awards, appeared on Kathy Griffin: My Life on the D-List, had a cameo part in Another Gay Movie, and can be seen regularly on BBC America and Logo engaging his audience in over-the-top antics and coaxing the biggest stars into showing their true personalities on his one-of-a-kind talk show. Since his beginnings on British TV, Graham Norton's career has gone from strength to strength. His unique blend of camp comedy, cozy chattiness, and brilliant bitchiness has earned Graham a place in audiences' hearts. Warm and witty with a wicked sense of humor, Graham Norton not only attracts big names onto his show, but also truly makes them laugh. Yet not too much is known about his private life, and so biographer and journalist Alison Bowyer traveled to his native Ireland, where she talked to friends and relatives to discover more. Packed with revealing interviews with friends, lovers, and associates, this is a fascinating and fully up-to-date picture of an irrepressibly likeable man.
