

Math Puzzles Galore: 50 Hands-On Problem-Solving Activities, Grades 5-8

These problem-solving activities focus on developing skills with number concepts, measurement and spatial relations. Reproduce these activities for your students as an all-class activity or to individualize your program. These hands-on puzzles require little, if any, additional material apart from scissors and colored pencils. Students will explore square number puzzles, number patterns, shape puzzles, cube models and many others. For grades 5 to 8.
