

Footprints in the Shadow of Giants: The Race to the Center Within

A beautiful and colorful book with stunning photography and a most inspiring story which takes place in Nepal and India. While the story spans a rich history, it also parallels a real-time inner journey to your own center, where you will find true peace, or Namaste. May your spirit be touched by this book, and may you experience magic when you learn how to harness the Power of the Five Cs in your life.
