

American Dream Series 2... I Can Read!

American Dream Series 2 ... I Can Read! is the second of the series of textbooks for first graders, children of any age who have gaps in their reading, and special needs children. This book empowers elementary/special education teachers, parents, grandparents, tutors, and mentors to teach children reading and language arts with success. This reading and language arts program is systematic, developmental, and progressive with explicit phonics and decodable text which lays the foundation for skills in learning. The textbook continues to address the stumbling blocks to learning as described in Volume I for the special needs children. The focus for all groups of children is the task of learning skills with emphasis on fluency and comprehension. Volume II includes: decoding with strong and weak vowel boy graphic representations, digraphs/blends, homonyms, contractions, 2 syllable words, punctuation, capitalization, crossword puzzles, finger-spelling, reading comprehension, open-ended sentences, sequence of events, and writing answers in complete sentences.
