Here's why: This is the only product I know of that answers the following questions: How do I learn the secrets from the masters? What do I talk about and how can I charm my clients? How do I get new clients without spending a fortune on advertising? What kinds of business decisions will help me earn more money? How do I go beyond customer service? I guarantee that after reading this book you will reach a totally new level in your career. Hi, my name is Max Roman. I've grown up in the hair industry since the age of three. I have owned and operated a hair salon for over 10 years. Through years of experience, I have learned what works and what doesn't work in order to be a successful stylist. One night I had an epiphany. I was reflecting about the many stylists I have met in my life and the many stylists I have worked with. What makes a highly successful stylist? I started writing and it all poured out very naturally. I have seen so many things that have made certain people very successful in the hair industry. I felt a calling to impart this knowledge to all those with the desire of being a successful stylist. Take my knowledge and the knowledge of the stylists I've interviewed and make it your own. You can learn the many tricks of the trade without wasting precious years and making costly mistakes. If you want to be the best in your field don't hesitate another minute. Take full advantage of all the knowledge compiled in this book... Some of the Benefits You Will Get From Secrets of Becoming a Successful Stylist: You will earn the money you always thought you would as a stylist. You will be able to reach full potential in your career. You will know that you have the ability to deal properly with your clients. You will have the information you need to correctly controlling the business aspects of your career. You will know what to do and what not to do in order to be highly successful. You will have the knowledge of very successful stylists in the industry.
