

Shanghai Education (Shanghai Series)

Written by a group of authors headed by Shen Xiaoming, director general of the Shanghai Municipal Education Commission, this book presents a comprehensive overview of the history and future of education in Shanghai. It also discusses the successful implementation of the nine-year compulsory education system, the increasing enrolment in higher education, and the fast-growing vocational education. Education in Shanghai boasts a solid foundation, a high concentration of talents and prestigious institutions, and a dedication to innovation. This is more than a book about education; it also offers a unique perspective on Shanghai's urban development as well as the city's evolving intellectual and cultural landscape. Contents: Preface 1. Review and Outlook 2. Basic Education 3. Higher Education 4. Vocational Education 5. Adult Education 6. International Exchanges Annex: Figures and Tables Index
