

## Sheilas Guide to Fast & Easy Phnom Penh and Siem Reap, Cambodia (Fast & Easy Travel Book 14)

Mention Cambodia, and travelers respond, Angkor Wat, spend two days in Siem Reap (gateway to Angkor), two days in Phnom Penh, and then fly to Vietnam and Laos. (These three countries were once known as Indochine.) That's what we did in 1999 and why you are probably buying this Fast & Easy Guide! Angkor Wat, located outside Siem Reap, is the Number One reason people visit Cambodia and rightfully so, but...Did you know that Angkor Wat is not one ruin but a humungous city constructed over six centuries, littered with acres of carved stones, walls, Hindu and Buddhist temples? I spent two days the first time, and four days on a second trip, visiting 13 different temples, quite a few of which can be safely bypassed. Siem Reap is a jumping and fun small town while Phnom Penh has important, historical sights, e.g. The Royal Palace filled with diamond encrusted Buddha images and Khmer Genocide memorials. Leave time for Markets, little boutiques, stroll along the Tonle Sap River embankment, and eat wonderful food. It seems like some people work their entire life to take an Exotic Vacation, when in reality, such a trip can be had for less than taking the family to DisneyWorld. **ESPECIALLY IN CAMBODIA.** Other than the cost of getting here, Cambodia can be so cheap that the travelers often think this country is paying them to visit! Or, opt for luxury in some of the Worlds finest hotels. **HERES SOME INFORMATION YOU'LL FIND INSIDE...**- Fast & Easy Basics for Visiting Cambodia.- What To See and Do in Phnom Penh and Siem Reap.- How to Save Big Money!
