

# The Dark-Thirty: Southern Tales of the Supernatural Teachers Manual

The teachers version of Talent Development Secondarys Discussion Guide to Patricia McKissacks collection of scary short stories, The Dark-Thirty: Southern Tales of the Supernatural, this manual includes a summary of each story, author bio, and tips for teacher preparation and background-building activities. For each story, the manual indicates selected vocabulary words, highlights important literary devices and features, provides discussion questions and answers, and suggests literature-related writing and extension activities. Glossaries, sample sentences using vocabulary words, and whole-class discussion pointers are also provided. A special reproducible assessment section at the back of the manual includes a review, a literature content evaluation, and a vocabulary test for each story. Wide margins for personal notes make it practical and user-friendly. This curriculum, developed at Johns Hopkins University, is used in schools across the country.
