

# The Grumpy Girls Guide to Getting into College

Following up on her guide to good manners, our Grumpy Girl takes on the all-American pursuit of getting into college. With her characteristic edgy humor and cheeky fun, she dissects elementary, middle and high school subjects, extracurricular activities, educational travel, SAT prep, college interviews, and more. While sharing her own unique saga filled with hilarious episodes, she dispenses sage advice and taunts our obsession with higher education as the requisite road to success and happiness.
