

## Of Bias and Belief: Exploring the Issue of Media

In our day and age it seems we rely solely on news coverage for the inside scope of what goes on in our world. Hence for this reason, it is important to be informed of the existent bias that can be held by mainstream media. Of Bias and Belief: Exploring the Issue of Media uses a critical thinking approach to address these existent bias and likewise, aims at inspiring a revolution in the skills of problem solving and independent thought.
