

Washington State has some of the most spectacular scenery in the world, and among that spectacular scenery are seven very special places. Freelance photographer and Washington State native Howard Frisk has put together a simple guidebook that focuses on just those seven places. Each one is presented with beautiful full color photographs, and a description of what makes it amazing along with interesting and useful tidbits of information. The Seven Wonders of Washington State are meant to be experienced first hand, and his guide can show you where, when and how to experience them yourself. The Seven Wonders of Washington are: Mt Rainier Mt St Helens The Columbia River Gorge Palouse The Hoh Rain Forest Long Beach The Channeled Scablands
