

Topographical and historical sketches of the town of Northborough, with the early history of Marlborough, in the commonwealth of Massachusetts, furnished for the Worcester magazine

Topographical and historical sketches of the town of Northborough, with the early history of Marlborough, in the commonwealth of Massachusetts, furnished for the Worcester magazine

This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.
